For any deficiency/dispute, citizens may approach the RCs and when not satisfied, may approach the Ministry as per above service standards.

4. Grievance Redress Mechanism:

The M/o Textiles has developed a grievance redressal portal (CPGRAM) at its website <http://ministryoftextiles.gov.in> for receiving and redressing the grievances of public online. The system has been devised in such a manner as to involve less paper work on the part of the organizations handling grievances of the public.

As per the system, any citizen can visit the website of Ministry of Textiles and lodge his/her grievance under the link “Public Grievances”. The nodal officer in the Ministry accesses grievances relating to his subjects by logging in his user account and takes action for redressal. In case the grievance relates to any of the organizations under the Ministry, the nodal officer transfers it to the concerned organization online. At present 18 organizations under the Ministry as mentioned hereunder have been included in the Grievance Redressal Mechanism:
