Subject : Specifications for indigenous coverall.

VLS (R&D)

A Technical Committee constituted under Director General Health Services (DGHS) vide Order No. Z.28015/17/2020-EMR dated 17.02.2020, as per its terms of reference, has examined the specifications for indigenous Personal Protective Equipments (PPEs) and as an emergency measure, has approved the fabric that cleared Synthetic Blood Penetration Resistance Test.

This would be considered as a bench mark to manufacture PPE. The prototype of these coveralls manufactured by these manufacturers will have to undergo similar testing protocols before being approved for use.
