

F. No.16015/1/2019-TUFS
Government of India
Ministry of Textiles

Udyog Bhawan, New Delhi,
Date: 29th March, 2019

OFFICE MEMORANDUM

Subject: Minutes of 3rd Meeting of the Inter-Ministerial Steering Committee (IMSC)
under Amended Technology Up-gradation Fund Scheme (A-TUFS).

The undersigned is directed to refer to 3rd meeting of the Inter-Ministerial Steering Committee (IMSC) under Amended Technology Up-gradation Fund Scheme (A-TUFS) held on 27.02.2019 at 1200 hrs in Room No. 162, Udyog Bhawan, New Delhi under the chairpersonship of Hon'ble Minister of Textiles and to forward a copy of minutes of the meeting for kind information and necessary action.

(Anil Kumar K.C)

Under Secretary to the Govt. of India

Enclosure : As above (12 pages)

To

1. Secretary, Ministry of Textiles, Vice Chairperson
2. Secretary, Department of Expenditure, Member
3. Secretary, Department of Financial Services, Member
4. Secretary, Department of Commerce, Member
5. Secretary, Department of Industrial Policy & Promotion, Member
6. Secretary, Department of Heavy Industry, Member
7. Secretary, Ministry of Micro, Small & Medium Enterprises, Member
8. Deputy Governor, Reserve Bank of India, Member
9. Special Secretary & Financial Advisor, Ministry of Textiles, Member
10. Joint Secretary (ATUFS), Ministry of Textiles, Member Secretary
11. Textile Commissioner, Ministry of Textiles, Mumbai, Member
12. Jute Commissioner, Ministry of Textiles, Kolkata, Member
13. Development Commissioner (Handlooms), New Delhi, Member
14. Adviser, (in-charge of the textiles), NITI Aayog, New Delhi, Member
15. Member Secretary, Central Silk Board, Bengaluru, Member
16. Chairman & Managing Director, IDBI, Member

17. Chairman & Managing Director, SIDBI, Member
18. Chairman & Managing Director, IFCI, Member
19. Chairman, State Bank of India, Member
20. President, Textile Machinery Manufacturers Association of India (TMMAI),
Mumbai, Member
21. Chairman, Confederation of India Textile Industry (CITI), New Delhi, Member
22. Chairman, Federation of India Art Silk Weaving Industry, Surat, Member
23. Chairman, Indian Woolen Mills Federation (IWMF), Mumbai, Member
24. Chairman, Powerloom Development & Export Promotion Council (PDEXCIL),
Mumbai, Member
25. Chairman, Indian Jute Mills Association (IJMA), Kolkata, Member
26. President, Clothing Manufacturers Association of India, Mumbai, Member
27. Chairman, Indian Technical Textile Association (ITTA), Mumbai, Member
28. Chairman, South India Spinners Association, Coimbatore, Member
29. Chairman, The Southern India Mills' Association, Coimbatore, Member

PS to HMOT

Minutes of the meeting of Inter-Ministerial Steering Committee (IMSC) under Amended Technology Upgradation Fund Scheme (ATUFS)

A meeting of IMSC under ATUFS chaired by Hon'ble Minister of Textiles was held at 1200 hrs on 27th February, 2019 in Room No. 162, Udyog Bhawan, New Delhi. List of the participants is attached at *Annexure-I*. At the outset, the Chairperson welcomed the members of the IMSC. The agenda items circulated to the members in advance and the additional agenda items placed on the table were considered by IMSC. The Textiles Commissioner made a detailed presentation on the agenda items and decisions thereon were taken as follows:

2. Agenda Item No. 1: Confirmation of the minutes of the 2nd Meeting of the IMSC held on 23.03.2018.

2.1 The minutes of the 2nd meeting of IMSC under ATUFS held on 23.03.2018 were circulated among members of the Committee. IMSC noted that no comments had been received from the members and hence confirmed the minutes.

3 Agenda Item No. 2: Action taken report on the decisions taken in the 2nd Meeting of the IMSC held on 23.03.2018.

3.1 Action taken report on the decisions taken in 2nd meeting of the IMSC held on 23.03.2018 was appraised to the Committee (*Annexure-II*).

4. Agenda Item No. 3: Review of progress of TUFs

4.1 IMSC was apprised about the progress of TUFs. As far as the project related to reconciliation of committed liability data under MTUFS and RTUFS assigned to NABCONS is concerned, IMSC was informed that the agency could reconcile the data pertaining to only 1800 accounts as against 9303 accounts to be evaluated. Textiles Commissioner informed that a show-cause notice has been issued to NABCONS in the event of their failure in completing the assigned work during the extended period of the contract.

4.2 IMSC after deliberations decided that Secretary (Textiles) to review the whole issue and in consultation with M/o Finance to formulate a way forward towards getting reconciled the committed liability data of the accounts, which could not be verified by NABCONS. Till a final decision is made on all accounts assigned to NABCONS, Textiles Commissioner to ensure that no subsidy against these accounts is released.

4.3 On the issue regarding shortage of officers and other staff in the office and regional offices of Textiles Commissioner, the Chairperson directed the Textiles Commissioner to submit a detailed note to Establishment Division of the Ministry of Textiles.

5. Agenda Item No. 4: Ratification of Revised Resolution on ATUFS.

5.1 The guidelines of ATUFS was issued on 29.02.2016. IMSC under ATUFS in its meeting dated 23.03.2018 had set up Task Force comprising representative from textile industry and financial institutions for simplification of procedures. Based on the recommendations of the Task Force, the guidelines of ATUFS were modified through Government Resolution dated 02.08.2018.

The IMSC ratified the Revised Resolution of ATUFS issued on 02.08.2018.

6. Agenda Item No. 5: Consideration of the report of Internal Committee set up in the O/o TxC to recommend measures to strengthen the monitoring mechanism of subsidy being released under MTUFS/RUTFS/RRTUFS.

6.1 IMSC was informed that Public Accounts Committee (PAC) during an informal discussion held at Vishakhapatnam held on 17.09.2019 on Performance of Audit of TUFS by C&AG (Report No. 52 of 2015) emphasized for strengthening the monitoring mechanism under TUFS. Accordingly, Textile Commissioner was advised to constitute an Internal Committee to suggest measures to strengthen the verification and monitoring mechanism for the claims received under previous versions of TUFS (MTUFS /RTUFS /RRTUFS). Terms of Reference of the Committee were as follows:

- a) To examine and suggest measures to strengthen the verification and monitoring mechanism by O/o Textiles Commissioner for the claims received under previous versions of TUFS to prevent the irregularities pointed by C&AG Audit as mentioned below:
 - i. subsidy has been released to ineligible beneficiaries
 - ii. cases of ineligible investments were pointed out
 - iii. excess payment made to beneficiaries
 - iv. delay in crediting subsidy to beneficiary account
 - v. retention of undisbursed subsidy by financial institution
- b) to examine the extent of physical verification that should be carried out for the claims in view of the audit Paras for on-going claims of MTUFS, RTUFS and RRTUFS.

6.2 The Internal Committee submitted its report on 14.11.2018 and suggested carrying out either 100% Joint Inspection of all 8453 on-going claims under previous versions of TUFS or random verification of 20% cases on sample basis. In order to complete the physical inspection, the Committee had proposed to draw the services of technical manpower from Central Silk Board (CSB) and Textiles Committee.

6.3 In this connection, O/o Textile Commissioner has submitted an action plan for carrying out the physical inspection of all on-going 8453 cases of previous versions of TUFS and indicated an expenditure of Rs. 10.57 crore for the proposed inspection in a period of 10 months.

6.4 IMSC noted that the GR of the previous versions of the TUFS do not stipulate any joint inspection (except MMS case under R/RRTUFS) while releasing the interest reimbursement through lending agencies. As per the guidelines of RTUFS and RRTUFS, lending agencies were required to verify the assets, for which requisite certificates were being submitted by the banks along with their claims.

6.5 The IMSC after detailed deliberations decided as follows:

- a. Joint Inspection Teams (JIT) in the pattern of ATUFS to be formed to physically verify the machinery procured under 8453 on-going subsidy accounts pertaining to previous versions of TUFS (MTUFS, RTUFS and RRTUFS).
- b. The team may consist one technical officer having textiles background to be drawn from any organisations of the Ministry of Textiles. Possibility of drawing the services of technical officers from other departments/organisations may also be explored so that the inspection could be expedited faster.

- c. Textiles Commissioner to develop a detailed action plan and protocol for the proposed inspection to be carried out with intimation to the Ministry. Officers/officials, against whom any vigilance case is either pending or being contemplated should not be involved in the Joint Inspection Team.
- d. Release of subsidy to the ongoing accounts will be made subject to compliance with the requirements of the proposed joint inspection.
- e. Inspection to be recorded and uploaded in the website of Textiles Commissioner within 24 hours of the inspection.
- f. Textiles Commissioner should monitor the progress of Joint Inspection in a time bound manner and ensure that utmost fairness is maintained by the team of inspection during their visit to the industry.

7. Agenda Item No. 6: Proposals recommended by TAMC for consideration of IMSC:

7.1 Extension of timeline for JIT request beyond 2 years for RRTUFS period cases which applied before 12.07.2016 under ATUFS

7.1.1 It was informed that IMSC in its meeting held on 23.03.2018 had ratified 184 condonation cases of RRTUFS applied under ATUFS with respect to JIT request made after two years. Now, TAMC has recommended 929 RRTUFS cases which were applied before 12.7.2016 under ATUFS, for which extension of timeline for JIT request beyond 2 years was required due to delay in receiving their JIT application due to various reasons e.g. delay in issuance of UID, delay in commencement of project, delay in delivery of machines, issues in software etc.

7.1.2 TAMC recommended that extension of timeline for JIT request beyond 2 years for 929 RRTUFS cases which applied before 12.7.2016 under ATUFS may be considered as they have installed the machinery and have served the objective of the scheme. Further, TAMC recommended that the extension could be one year from the date of issue of a circular in this regard.

7.1.3 The IMSC approved condonation of 929 cases recommended by TAMC for relaxing timeline for making JIT request beyond 2 years. The extension will be one year from the date of issue of circular in this regard.

7.2 Relaxation for carrying out JIT inspection beyond 88 days from the JIT request by Regional office of Textiles Commissioner and submission of JIT report beyond 90 days

7.2.1 IMSC was informed that JIT inspection could not be carried out for 133 cases within 88 days from the JIT request and as such the report could not be uploaded within the prescribed timeline of 90 days. Textile Commissioner has reported that regional offices sometimes return the report to units for rectification of the deficiency observed in the documents during JIT. Some units resubmit the report at the last moment leaving no time for the regional office for uploading the report after re-examination.

7.2.2 IMSC while approving the relaxation for 133 cases directed the Textiles Commissioner to seek explanation from respective Regional Officers and ensure that no deliberate attempt was made in delaying upload of the report within prescribed timeline.

7.3 Proposal for condonation of delay in submission of UID applications by RO-TxC/Banks and JIT applications by units:

7.3.1 IMSC was informed that following cases have been recommended by TAMC for condoning the delay in submission of applications at various stages under ATUFS:

	Reason for seeking condonation in delay	No of cases
i)	UID applications for converted cases of RRTUFS to ATUFS were submitted by the lending agency within one year from term loan sanction to concerned RO-TxC for onward submission to OTXC for UID. However the applications have been submitted to RoTxC just 2 days before the prescribed time limit. Hence, concerned RO-TxC was unable to forward the UID application within one year from term loan sanction to OTXC through online.	4
ii)	Units could not re-submit the UID application under ATUFS within 2 months	335
iii)	Banks could not submit the UID applications within 4 months	455
iv)	Application could not be made for JIT in time by the units	804

7.3.2 IMSC after deliberations has decided as follows:

- a) IMSC directed to process 4 cases as in SI No.(i)
- b) Considering that the subsidy is met from the public money, industry should adhere to the timeline prescribed in the guidelines and avoid approaching for condonation of timelines on account of flimsy reasons. IMSC did not agree to the proposal for condoning 335 cases (as in SI No.(ii)) where units could not submit the application within the timeline.
- c) IMSC accorded approval for condonation of 455 cases (SI No.(iii)) which were delayed by Banks by not forwarding the applications within the specified time line. Simultaneously, Textiles Commissioner should also advice the Banks for adherence to the timeline in future.
- d) For the 804 cases (SI No.(iv)) where the unit has not applied in time for the JIT, the Committee decided that the cases which were delayed due to non-enlistment of machinery manufacturer should be segregated and brought to the next meeting of IMSC for consideration.

7.4 Consideration of 15 cases received for JIT extension through online i-ATUFS portal:

7.4.1 IMSC was informed that the request for JIT extension were received online through i-ATUFS portal w.e.f 01.05.2018. The extension of time for submission of JIT request beyond one year was provided subject to submission of documentary proof of the order placed for machinery.

7.4.2 In many cases it is observed that the unit has submitted requisite documents on last day through online. As per procedure, a printout from online application was taken and processed for the approval of TxC. Since the requests were received on last day, extensions in these cases could not be processed as the system got locked.

The IMSC approved the condonation of delay in 15 cases.

7.5 Condonation of delay in submission of JIT reports by ROTXC after prescribed time limit due to software issues under ATUFS.

7.5.1 IMSC was informed that various technical issues relating to i-TUFS software was confirmed in 63 cases under ATUFS for which online JIT reports have been submitted after prescribed time limit by RoTXC.

IMSC approved the condonation of delay in 63 cases.

7.6. Clarification on ATUFS guidelines issued vide GR dated 02.08.2018:

7.6.1 Cases rejected in the absence of mention of machine serial number in Shipping Documents (Commercial Invoice or Bill of Entry or Airways bill or Bill of lading) for imported machineries and commercial invoice for domestic machines.

7.6.1.1 IMSC was informed that as per Para 6.4.3 of original ATUFS guidelines and Para 10.2.3 of revised guidelines issued on 02.08.2018, machine serial number should be expressly written on the shipping documents i.e. "Commercial Invoice" or "Bill of Lading" or the "Airways Bill" or the same is expressly written in the "Bill of Entry" in case of imported machinery. In case of domestic purchases, the machine serial number should be expressly mentioned in the "Commercial Invoice". This is an essential requirement to assign the MIC number for the machinery to the applicants.

7.6.1.2 The industry informed that some machinery manufactures, despite insistence by the units, have missed in providing the machine serial number in the invoice issued against the purchase of machinery, due to which their subsidy claims under ATUFS have been rejected.

7.6.1.3 Textiles Commissioner informed that such textile units are providing new invoices as given below:

Modified/Amended Invoice by including machine serial number (either handwritten or typed) in original invoice.

or

A fresh Invoice with old date after including machine serial numbers

7.6.1.4 IMSC was further informed that, TAMC in its 10th and 11th meeting had decided that since packing list is an integral part of the shipping documents, machinery serial numbers indicated in the packaging list for imported machineries can be accepted as a valid document. The same has been implemented after the issue of minutes of the 10th and 11th meeting of TAMC.

7.6.1.5 Further, TAMC in its 12th meeting recommended that modified/ corrected Invoice and packing list shall not be considered. However, if the machinery manufacturer provides a certificate indicating the machine serial numbers against the machines supplied through a particular invoice, the same may be accepted. The machinery manufacturer will have to provide such certificate through the concerned unit and same may be certified by JIT.

7.6.1.6 IMSC, after detailed deliberations, advised the units to insist mentioning of machine serial numbers in the commercial invoice issued by the manufactures. The Chairperson emphasised that the serial numbers of machinery should be written in Original Invoice and correction/ tempering in the invoice or hand written numbers should not be

allowed. In the case of imported machinery, acceptability of Packing List may be examined in file in consultation with Finance Wing, MoT and D/o Revenue.

7.6.2 Clarification on applicability of cut-off date for various activities in view of the issuance of revised guidelines on 02.08.2018:

7.6.2.1 IMSC advised Secretary (Textiles) to examine the effective cut-off date for various activities in view of the notification of the Revised Resolution on 02.08.2018. IMSC also decided to approve following proposals recommended by TAMC:

- a) The term "Suppliers" to be deleted from para 3.3 of the revised guidelines issued on 02.08.2019
- b) The proposal relating to restoration of "Custom bonded warehouse" (as in para 4.2.6 of guidelines dated 29.02.2016) to be examined in consultation with D/o Revenue
- c) Textiles Commissioner to formulate a detailed SOP with regard to cancellation of UID at various stages and matter relating to "One time correction in UID" and get it approved by the Ministry of Textiles.
- d) Secretary (Textiles) in consultation with SS&FA to examine the proposal to assign turn over based categorization of Small and Medium level industries keeping in view the strength and weakness of various segments in textile sector

7.6.3 Clarifications on the revised guidelines sought for by the industry, regional offices of Textiles Commissioner, banks:

#	Para no of Revised Guidelines	Details	Proposal	Decision of IMSC
1.	10.1.12	The lending agency will endeavour to complete the exercise within 2 months of receipt of the application.	As per the 2 nd IMSC minutes, this time line has been increased from 2 months to 4 months. As such this time line has to be changed in the revised guidelines.	IMSC did not agree to increase time line from 2 to 4 months
2.	10.1.16	Applications which fail verification test at lending agency level or <u>during data quality check</u> will be rejected. <u>The entity will have the option to apply a fresh.</u> Any grievance at this stage may be taken up with the Textile Commissioner in the grievance module created in the iTUFS. Textile Commissioner will dispose of the grievance within 30 days of receipt of the	In para 10.1.14 UID will be automatically generated and therefore the requirement of quality check would contradict this position. It was suggested that UID may be generated automatically, however the quality check shall be done at any time after issue of UID till JIT is done. The UID could be cancelled at any stage if it is found deficient afterwards.	IMSC agreed for the automatic generation of UID. However, the Quality check may be made after issuance of UID

#	Para no of Revised Guidelines	Details	Proposal	Decision of IMSC
		same.		
3.	10.2.6	Request for JIT will be entertained, if the machinery meets the technology specification but the manufacturer is not included in the indicative list. In such case, alert will be generated for the Textile Commissioner office to examine the eligibility of machinery to get included in the list and get it enlisted or rejected in the next monthly meeting of Technical committee. This exercise along with the approval of the TAMC should get completed with in 45 days.	Being a typological error "machinery" has to be read as "machinery manufacturer"	IMSC agreed to the proposed correction.
4.	10.2.5	Installation and commissioning of the machinery covered under UID shall be done within one year from the date of sanction of term loan. Extension beyond one year may be permitted only on production of documentary proof that the order for machinery was placed within the prescribed timeline i.e. one year from the date of sanction of term loan	As per the earlier guidelines, after satisfactory installation/ commissioning of the machinery and commencement of commercial production, the applicant shall immediately submit his/ her request for the same in prescribed format (Format-4) to the Textile Commissioner i.e. within one year from the date of sanction of term loan for undertaking physical verification by a JIT using i-ATUFS software. This timeline is extendable upto two (2) years on case to case basis with the approval of the Textile Commissioner. The Textile Commissioner will record in writing the reasons for giving such	IMSC agreed to the proposal of making the JIT extension close ended by restricting it to 2 years.

#	Para no of Revised Guidelines	Details	Proposal	Decision of IMSC
			<p>extensions</p> <p>The maximum time limit of two years is not mentioned in the revised guidelines</p>	

7.7 Clarification on eligibility of machines purchased from different vendors in parts and assembled at the site.

&

Acceptance of invoices from various vendors in case of surgical bleaching cotton line and non-woven machineries.

7.7.1 IMSC was informed that some units had procured machinery in two parts from two different manufactures (indigenous/import or in combination of both) and were issued with two different invoices. The two parts were then assembled to form a complete machinery line.

7.7.2 The industry informed that technical textile machineries are high end machineries which are mostly not manufactured indigenously. In such a situation, machineries are customised by using different components as per requirement of the end product. It was further informed that since the assembled machine i.e. Film calendaring machine is eligible under ATUFS and the guidelines does not restrict such an arrangement, the subsidy under both the invoice need to be allowed.

7.7.3 Regarding acceptance of invoices from various vendors in case of surgical bleaching cotton line and non-woven machineries, the Industry informed that the complete line for surgical cotton and non-wovens cannot be supplied by one supplier as it involves multiple machines, hence each machine forming the line shall have a separate invoice.

7.7.4 IMSC resolved that in such cases, the unit may submit a detailed justification for the arrangements being made due to specific requirement of such machineries, which may be considered as follows:

- a) This arrangement will only be permissible for Technical Textiles and only to the extent of assembling two parts having two invoices.
- b) Specific applicability of such arrangements to be examined by TAMC on technical angle and to be approved by Textiles Commissioner.

7.8 Clarification on Rate of Capital Investment Subsidy (CIS) for Made-ups

7.8.1 IMSC was informed that made-ups is not part of the segment wise rate of subsidy as indicated in the table of para 4.1 of the revised guidelines. Industry requested the IMSC to include the segment of Made ups at par with Garmenting segment.

7.8.2 IMSC noted that Made-ups segment is part of Garment package and is treated at par with garmenting sector. Also, under definition in para 2.6 of revised guidelines, made-ups is defined along with Apparel/Garmenting. The IMSC clarified that Made-ups are

eligible for 15% Capital Subsidy under ATUFS and approved inclusion of the word "made-ups" under 15 % CIS at Serial No.1 in the table under para 4.1 of the revised guidelines.

7.9 Restoration of procedure for enlistment of machinery manufacturers under ATUFS by Textile Commissioner

7.9.1. IMSC was informed that as per as per para 3.4 of revised guidelines under ATUFS dated 02.08.2018, the TAMC will recommend an indicative list of manufacturers of machineries conforming to the specifications as per recommendation of Technical Committee. The indicative list will be kept on the website for access by general public and offering comments/suggestion which will be finally approve by the TAMC.

7.9.2 The Textile Commissioner informed the IMSC that during the process the role of the Textile Commissioner has been excluded and the list of machinery manufacturers to be enlisted is put up in the TAMC meeting. As such, the Textile Commissioner could not undertake any due diligence.

7.9.3 The IMSC decided that the earlier procedure of enlistment of machinery manufacturer may be restored i.e. the documents required for enlistment as per various circulars issued by the Textile Commissioner should be examined and enlistment should be approved by the Textile Commissioner on file. The list could be ratified by the TAMC subsequently.

7.10 Inclusion of standalone Embroidery units under ATUFS:

7.10.1 IMSC was informed that as per para 3.1 of the revised guidelines of ATUFS eligibility of Capital Subsidy is indicated for following segments:

- (a) Weaving, Weaving Preparatory and knitting
- (b) Processing of fibres, yarns, fabrics, garments and made-ups
- (c) Technical textiles
- (d) Garment / made-up manufacturing
- (e) Handloom Sector
- (f) Silk Sector
- (g) Jute Sector.

7.10.2 TAMC recommended to include standalone Embroidery units for subsidy for purchasing Embroidery Machines on standalone basis under ATUFS for 15% CIS as embroidery machinery procured as part of garmenting production line along with garment machinery are eligible for 15% CIS. TAMC recommended to modify the Para 2.6 of the revised Guidelines of ATUFS to include Embroidery activity as given below:

7.10.3 IMSC agreed to the proposal and clarified that this modification will only be applicable to the cases for which loan sanction date is on or after 27.02.2019.

7.11 Decision on subsidy cap for Technical Textiles Sector under RTUFS:

7.11.1 IMSC was informed that the Southern India Mills Association (SIMA) has submitted a representation to consider the pending subsidy of Technical Textiles units under RTUFS which could not be issued with UID due to sectoral cap.

7.11.2 It was informed that a total of Rs. 1972 crores was earmarked under RTUFS with sectoral investment shares of 26% spinning, 13% weaving, 21% for processing, 8% for

Garmenting and 32% for Others. The Technical Textiles segment was covered under "Others" segment. As the sectoral cap of 32% allotted for the "Others" segment was exhausted, the applications received for UID under Technical Textiles could not be considered for issuance of UID.

7.11.3 IMSC noted that considering the financial implication involved in the proposal, the matter needs consideration of Cabinet Committee on Economic Affairs (CCEA). IMSC suggested to include the proposal in the CCEA note being attempted for the Technical Textiles.

8. Agenda Item No.7: Intimation of one time correction in UID issued under RRTUFS Scheme.

8.1 As per the directions of IMSC in its 5th meeting held on 23.03.2015, whenever office of the Textile Commissioner carries out any one time correction in UID, the IMSC needs to be intimated in the following meeting. Textiles Commissioner placed the details of following one-time corrections carried out since last IMSC meeting held on 23.03.2018 for kind information of the IMSC.

Details of one time correction approved under RRTUFS after last IMSC meeting

(Amount in Rs)

Name of Unit	Name of Lending agency	UID Number	Committed Liability as per UID	Revised Committed liability	Net savings
Ranjan Fabrics Pvt Ltd	RIICO Ltd	2017/O/5334	3,61,43,710	3,16,45,072	44,98,638
SVG Fashions Ltd	Bank of Baroda	2014/O/01978	19,77,51,057	10,22,64,036	9,54,87,021

IMSC noted the above details.

The meeting ended with vote of thanks to the chair and the participants.

Inter-Ministerial Steering Committee (IMSC) under ATUFS held on 27.02.2019

List of Participants:

1. Smt. Smriti Zubin Irani, Union Minister of Textiles
2. Shri Raghavendra Singh, Secretary, M/o Textiles
3. Dr. S C Pandey, SS&FA, M/o Textiles
4. Shri Nihar Ranjan Dash, Joint Secretary, M/o Textiles
5. Shri Sanjay Sharan, Textile Commissioner, Mumbai
6. Shri Moloy C. Chakraborty, Jute Commissioner, Kolkata
7. Smt. Sukriti Likhi, Joint Secretary, D/o Heavy Industry
8. Shri Keshav Chandra, Joint Secretary, D/o Commerce
9. Shri Sudhir Kumar, Advisor, NITI Aayog
10. Shri J. P. Sharma, General Manager, Reserve Bank of India
11. Shri Rajiv Ranjan, Chief Manager, State Bank of India
12. Dr. S. S. Acharya, General Manager, SIDBI,
13. Shri Anil Kumar K.C., Under Secretary(TUFS)
14. Shri P. K. Singh, Under Secretary, D/o Financial Services
15. Shri S.P. Verma, Director, O/o Textiles Commissione, Mumbai
16. Shri Ajay Pandit, Director, O/o Textile Commissioner, Mumbai
17. Shri Dhanashekharan, Assistant Director, O/o Textile Commissioner
18. Shri Sanjay Jain, Chairman, CITI
19. Shri Purushottam K. Vanga, Chairman PDEXCIL
20. Dr. Sundararaman K.S. Chairman, ITTA
21. Dr. K Selvaraju, Secretary General, SIMA
22. Dr. S. Sunanda, Secretary General, CITI
23. Shri S. Balaraju, Executive Director, CITI
24. Shri J K Arora, Senior Director, CMAI
25. Shri Rajesh Kumar Sahu, ADC, O/o DC (Handloom)

Action Taken Report on the decision taken by IMSC on 23.03.2018

#	Decision taken by IMSC	Action taken
1	Agenda no. iv. A-1: Ratification of Condonation of delay of 168 applications for issuance of UID	Letter has been sent to all the condoned units.
2	Agenda no. iv. B-1: Ratification of Condonation of delay of 184 cases with respect to JIT request made after 2 years.	Online provision was made to all the condoned cases for making JIT request under i ATUFS software.
3	Agenda no. iv. C-1: Ratification of condonation of delay of 98 cases with respect to submission/ resubmission of application by bank/ unit for issuance of UID under ATUFS	Online provision was made to all the condoned cases for submission/ resubmission of application by bank/ unit for issuance of UID under i ATUFS software.
4	Agenda no. iv. C-2: Relaxation in timeline for submission of application by the lending agencies upto 4 months from the existing 2 months and resubmission of applications by the lending Agencies up to 2 months from one month for issuance of UID under ATUFS	As per relaxation made by IMSC, suitable modification has already been carried out in the iTUFS software.
5	Agenda no. iv. D: Ratification of Condonation of delay of 380 cases with respect to completion of JIT within 90 days under ATUFS	Online provision was made to all the condoned cases for completion of JIT inspection by concerned RO TXC.
6	Agenda no. iv. I: Consideration of pending cases of RRTUFS under ATUFS	As per decision taken by IMSC, for all the units letter has been sent for consideration under ATUFS. Further with effect to the same Circular No.3 (2018-19 Series) dated 03.05.2018 has also been issued.
7	Agenda no. iv. K: Proposal for higher subsidy of 30% for weaving machines for MSME units.	A proposal for higher subsidy of 30% for weaving machines for MSME units has been sent to Ministry
8	Agenda no. V: Amendments regarding in Guidelines regarding UID issuance and return of application under ATUFS and Pending RRTUFS	Revised guidelines on ATUFS was issued on 02.08.2018
